TRANSMITTAL OF SUBSTITUTE DRAWINGS

Sir:

Enclosed in response to the requirement for submission of corrected drawings included in the Notice of Allowability for the above application are substitute drawing sheets 1-5. The application was originally filed with informal drawings. Formal drawings were filed on April 8, 2002 in response to a Notice to File Corrected Application Papers, but inadvertently omitted sheet 5. A formal version of sheet 5 was submitted on February 19, 2003. The undersigned telephoned Examiner Ponomarenko on December 11, 2003, and was informed that the requirement to submit replacement drawing sheets was so that the full set of drawings would be submitted at one time. The enclosed submission is in satisfaction of that requirement.

Respectfully submitted,
